Medieval Re-enactment, Live-Action Role-Playing, Foam Fighting, and Wargaming

Amtgard is an international non-profit organization that organizes medieval-themed battle games with foam padded swords and fantasy elements: special abilities and powers, magic and monsters!

The Shire of Falcon Tor chapter of Amtgard offers *all* of the following:

Outdoor live-action role-playing adventure! Quest for treasures or for glory; battle monsters and fiends; master the arts of sword and spell; match wits with sorcerers and kings – all in the beautiful natural surroundings of Stephens Lake Park right here in Columbia, Missouri.

Safe, non-bruising combat! We believe that it's easier and safer to pad weapons than people, and all our equipment is padded enough that it is difficult to actually hurt anyone. Lightweight soft foam weapons are built for safety, speed, and agility. Safety is our number one priority.

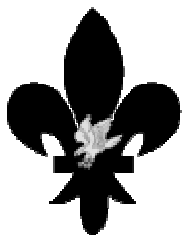

No special training is necessary! Anyone 14 years or older is welcome to come out and participate in our combat re-enactments.

Participants under 18 must have their waiver signed by a parent or guardian. Anyone who is physically able and generally healthy is welcome. Give us fifteen minutes, we'll be happy to show you the ropes.

You can play for free! Really. There's no charge. We will even loan you a weapon your first time. Play all you want, Sundays from 1:00 pm til 5:00 pm.

Friendly atmosphere! Get acquainted with fun, smart, creative, imaginative people just like you. We'll guide you in developing your persona, building weapons, making armor and costumes, and of course, hone your battle skills.

Character development based on participation! Your success is not limited by any real-life skill or ability. Whether you choose to be a fighter, a spell-caster, or even a monster, your powers and abilities will always improve with experience.
